Part-time Associated Faculty Position
The Ohio State University College of Dentistry
Columbus, OH

Innovative and Collegial Environments Attract and Retain the Best Faculty

The Ohio State University College of Dentistry, Division of Oral and Maxillofacial Radiology, is seeking a general dentist or dental specialist with the desire to supervise radiographic technique and teach radiographic interpretation to dental and dental hygiene students in the Radiology Clinic setting. This associated faculty position is part-time: 20 hours per week. Some schedule flexibility will be needed for training and calibration in radiographic interpretation.

Applicants must have a D.D.S./D.M.D. degree from a CODA accredited program and be licensed by the Ohio State Dental Board. Two (2) or more years of experience in a private practice or academic setting is preferred. The successful applicant will have excellent interpersonal and communication skills, a strong commitment to teaching, and a willingness to work collaboratively.

Evaluation of applications will begin immediately and will continue until the position is filled. Salary will be commensurate with qualifications.

Applicants should provide a personal statement delineating qualifications for this position, and a curriculum vitae with three professional references. Application materials or inquiries should be sent electronically to Dr. Fonda Robinson, DMD, FACP, Associate Dean, Clinic Administration and Patient Care at osudentistryrecruitment@osu.edu.

The College of Dentistry’s atmosphere is one of collaboration and inclusiveness, where differences in thought and experience are embraced and celebrated.

The Ohio State University is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation or identity, national origin, disability status, and protected veteran status.
